

## DYNAMIX ACCOUNTANCY

**Why choose Dynamix Accountancy?** Throughout the huge changes in the Accountancy industry over the years, one thing has remained unchanged - the commitment Dynamix Accountancy makes to each and every client to strive to provide a comprehensive service to fulfil your accountancy needs and expectations.

Our team of qualified ACCA Accountants are all trained with an in-depth understanding of the system and our ex Inland Revenue Inspectors, who make up our tax department, are able to provide the very best advice based on that experience and up to date knowledge.

Whether it is traditional tax and accounting services, tax returns or proactive business advice and strategic business plans, we approach every situation with fresh vigour to ensure that each client gets what they need from their time with us.

**Financial Accounts:** Dynamix Accountancy can provide a basic Year End service in compliance with the requirements of the Inland Revenue and Companies House. We will write to every client at their year end, and maintain regular contact over the next three months to ensure that all their information is current and that their accounts are prepared and finished long before the deadlines become an issue.

**Management Accounts:** Business owners need current information to help make those ever important business decisions. Dynamix Accountancy can provide monthly, quarterly or half yearly management accounts. We make sure the data we provide makes sense to our customers so that they can make meaningful decisions without the risk of running into financial difficulties. Our customers will receive their management accounts during a one hour meeting with one of our colleagues from Dynamix Consultancy, who will suggest strategies for improvement.

**Tax Planning:** Our tax experts are former Inland Revenue Inspectors, and through their experience and knowledge are able to offer the best tax advice based on their understanding of the system as well as what is best for the customer.

Our areas of tax expertise and planning include:

- Income Tax
- Corporation Tax
- Personal Tax
- Inheritance Tax
- Capital Gains Tax
- VAT
- Stamp Duty
- PAYE

**Company Secretarial:** Dynamix Accountancy's Company Secretarial service will ensure your business keeps up with the ever changing regulations and legal requirements, making sure that you avoid fines or penalties which arise from failure to comply with regulations.

Among our Company Secretarial Services are:

- Company formations
- Preparation and filing of Statutory Returns
- Maintenance of Statutory Books

Our Company Secretarial service will ensure that deadlines are met in terms of filing, removing the hassle and worry from you the customer.
