

Trans 4 Mations Kitchen Refurbishment

Who wouldn't like a new kitchen? New doors, another unit, a change of work surface..... But can you afford it?

With a kitchen refurbishment from Trans4Mations, you can!

A kitchen refurbishment allows you to replace the tired and worn out elements of your kitchen keeping those things that are still good, giving you maximum effect for minimum cost.

Huge savings of up to 60% can be made by refurbishing your existing kitchen units over replacing them, giving you a completely new look at an affordable price

Replace doors and worktops, reposition or add new units, update and modernise your kitchen, in less time, with less mess, upheaval and expense.

over 50 different styles in as many different finishes to choose from

new hobs and cookers, fridges and freezers, even the latest designer appliances can be incorporated

To find out what we can do for you without the high pressure sales visit, the badgering phone calls and the barrage of mailings that seem to follow an enquiry? Call Trans 4 Mations today.

Our kitchen design consultants will draw out a plan of your refurbishments, based on your ideas to enable you to see how your kitchen could look. With no pressure and no obligation, the only decisions you will be asked to make will be design related.

Remember the only restriction you will have to creating the kitchen transformed you want is the budget you set and we can even help you with this.

Following your design visit you will be sent an itemised quotation with each price option broken down, allowing you to make your own choices in the comfort of your own home with no salesperson present.

Our menu priced quotation system allows you to pick and mix what you have done enabling you to select the refurbishment you want to the budget you set.

Decision made and deposit paid will mean your kitchen refurbishment is only 4 weeks away.

The first step towards your newly refurbished kitchen is only one phone call away so call Trans 4 Mations today for a free, no obligation survey and quotation.
