

The Wingham Garden Safari and Scarecrow Trail!

Wingham is holding its annual Garden Safari and Scarecrow Trail over the weekend of Saturday 2nd and Sunday 3rd June.

Organised by The Friends of St Mary's Church, there are over 20 gardens to visit and over 50 scarecrows to see. Will you find them all?

Set in the idyllic village of Wingham, halfway between Canterbury and Sandwich, the Garden Safari and Scarecrow Trail has become popular with villagers and visitors alike.

For £5 for adults, £1 for children and £11 for family of four, the Wingham Garden Safari and Scarecrow Trail is an ideal day of fun for all the family.

There is plenty of free parking available in the village, at The Railway Station Farm Shop in Canterbury Road, and at Elgar's Field, Preston Hill.

The trail starts at St Mary's Church, Wingham at 10am, and tickets include a Trail Quiz for the children. Don't forget to bring a pen!

Finish off the day relaxing with a cup of tea on the patio at The Railway Station Farm Shop while the children burn off any energy they have left on the playground.

For more information, contact John Yonge at The Railway Station Farm Shop on 01227 721199.
